Maine 4-H Horse Program Helmet Rule

1. Effective January 1, 2002 all youth under 19, participating in any 4-H equestrian activities, regardless of riding seat, shall wear a properly fitted equestrian helmet which carries a current ASTM/SEI approval with secured chin harness properly fastened at all times when mounted on an equine or in a vehicle being pulled by one or more equines.
2. It is the responsibility of the rider or the parent or guardian of the minor rider, to see to it that the head gear worn complies with such approved standards and carries the proper seals, and is properly fitted and in good condition. Due to degeneration concerns, equestrian and sport manufacturers recommend replacement every five years. The University of Maine system, organizing committees, and licensed officials or leaders are not responsible for checking headgear worn for such compliance. The University of Maine or said committees and officials and leaders make no representation or warranty, expressed or implied, about such headgear and cautions riders that serious injury may result despite wearing head gear, as no helmet can protect against all foreseeable injuries in equestrian activities.
3. At any 4-H equestrian activity, the official activity manager (e.g. show manager, clinic organizer, club leader) may, at his/her discretion, check a participant's equestrian helmet for proper standards. If the participant is found to be wearing an unapproved, defective or improperly fitted helmet, he/she will NOT be permitted to participate in any mounted or driving activities until proper headgear is acquired.
4. The approved helmet requirement supersedes all hat and helmet requirements as stated under appointments in the current set of rules and regulations

Assumption of Risk and Release Maine 4-H Horse Program

I have read **the MAINE 4-H HORSE PROGRAM EQUESTRIAN HELMET RULE** printed above. I understand that equestrian activity involves certain risks of physical injury. I, nonetheless, wish to participate in the Maine 4-H Horse Program. I do so at my own risk and agree to indemnify and hold harmless the University of Maine, the University of Maine Cooperative Extension System, their trustees, employees, and agents from any and all losses, penalties, damages, settlements, costs or other expenses or liabilities arising out of this activity. This release, however, is not intended to release the University of Maine from causes of action arising out of the sole negligence of the University of Maine, its Trustees, employees, or agents.
