

Monmouth Fair

"A little fair with a lotta pull!"

Over 100 years of celebrating agricultural life – past & present.

June 26 – 29, 2024

Website: www.monmouthfair.com

Email: info@monmouthfair.com

Greetings,

The Monmouth Fair Association is busy planning for our 2024 fair. The support of local businesses and the community has allowed Monmouth Fair to continue its tradition for over 100 years. This means making the fair a celebration of rural life past and present with family fun for young and old.

We are working to fill the schedule with events such as steer, oxen and horse pulls; agricultural displays; children's activities and shows; daily bike drawings; bands; woodsmen's day; the popular Red Neck Truck Pull, and the 4x4 truck crawl to name a few.

The Fair Association would appreciate your help in making these events possible. Attached is a form with areas that you can sponsor. Please consider volunteering during the Fair. Monmouth Fair appreciates any contribution you can make.

If you have any questions or would like more information about being a sponsor, advertiser, volunteer, or fair information in general, please contact me at 242-8797 or Diana Morgan at 754-1637. We look forward to hearing from you and seeing you at Monmouth Fair on June 26 – 29, 2024!

Thank you,

Phil Butterfield
